

## RESOURCES

### **Positive Legacy supports student success.**

#### **TEACHROCK \*Positive Legacy Partner & Beneficiary**

TeachRock empowers teachers and engages students by using popular music to create interdisciplinary, culturally responsive education materials for all 21st century classrooms. Launched by Little Steven Van Zandt and the Founders Board of Bono, Jackson Browne, Martin Scorsese, and Bruce Springsteen, the Rock and Roll Forever Foundation's TeachRock curriculum helps more than 40,000 teachers of all subjects keep the arts in the DNA of every school system while engaging students and improving academic outcomes. TeachRock is providing essential support to educators, students, and families during Covid– a record number of new and returning users downloaded nearly 500,000 TeachRock resources in 2020.

#### **LITTLE KIDS ROCK**

Little Kids Rock transforms lives by restoring, expanding, and innovating music education in our schools. Little Kids Rock also donates necessary instruments, and curriculum, meeting a key need of many school music programs.

#### **PRESERVATION HALL LESSONS**

Just launched in January 2021, this free online resource for teachers is a collection of lesson plans developed by Preservation Hall musicians for all grade levels aligned with national arts and common core standards. From music theory basics for lower elementary students to high school studies about the origins of new orleans musical genres, Preservation Hall Lessons is a growing resource to help teach music the “New Orleans Way” pioneered at Preservation Hall.
